## Measure To Let Harbor Area Withdraw Gains

(Continued from Page 1-A)

paying for nothing more than a speedy way for shoppers to get to Los Angeles and spend their money. They feel that if the downtown business men of Los Angeles want to bring trade to Los Angeles central shopping district, Los Angeles should pay for the rapid transit system. We find considerable opposition to the bill in Long Beach, and some in this area, but I would like to get the reaction of the people of my district to the plan.

Thomas said that he expected the budget session of the Legislature, the first under the new law calling for annual sessions of the Assembly and Senate, will last 90 days, and offered his cooperation in getting Charter amendments upon which the voters will pass on April 13 ratified by the Legislature.

## Kickoff Meeting Starts Torrance Red Cross Drive

Keep Red Cross ready to serve you—"Give Gladly."

Urging this theme, 1948 Red Cross fund campaign workers are now conducting door-to-door solicitation to help finance the wide-scale service program of Torrance branch working through Inglewood office.

Under the fund chairman, Mrs. A. L. Hudson, Red Cross in its 1948 appeal is seeking \$6,500—local share of the National goal.

With March designated as official Red Cross month the signal for canvassing teams to begin work was given this week. Last minute instructions and campaign kits were given workers here at the "kickoff" meeting held Monday evening in Torrance Chamber of Commerce directors' room.

Details of this year's special Red Cross award for volunteers, "Queen for a Day" broadcast tickets, were outlined by Mrs. Gladys Weston, treasurer of Torrance branch.

Volunteers' duties were outlined by Gay Chatten, area representative and Edith Messam, secretary of Inglewood branch office.

Speaker of the evening was James Dancy, national director of branches, who discussed, "Disaster" and other phases of the general Red Cross program.

## ADOPT CHINESE ORPHAN

A group of Camp Fire Girls in Helena, Mont., has "adopted" a Chinese orphan and contributes money for her support. Other groups in that city have been sending pencils, paper, notebooks, crayons and other gifts to girls' schools in China and the Philippines.

Bessie M. Putman, Carl J. Gramling Sr., Fred B. Folts, Beryl Folts, John Rex Sach, Ralph R. Sach, Ellen Sach, Mary C. Jacobs and Fred F. Miller.

Amendment No. 1 to the Charter requires that elections of members of the Board of Education be held in accordance with the Education code rather than the Elections code, thus removing them from the regular elections.

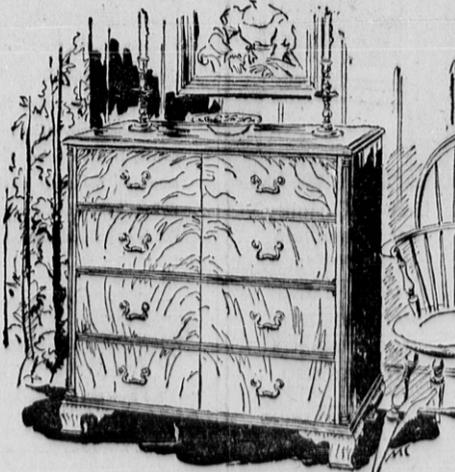

Amendment No. 2 provides for the permanent establishment of the City Manager form of government for Torrance.

Amendment No. 3 asks that "draw poker" be eliminated from Torrance by making it illegal to license or conduct the game in Torrance or permit premises to be used for such a purpose.

One ordinance to be voted upon will eliminate the pay of a month to members of the City Council, and the other will allow the removal of members of the Police and Fire departments for cause.

(Continued from Page 1-A)

for a separate water board no longer will exist, and the whole operations of the water systems will be handled directly by the City Council, under a superintendent as a department head of the city government.

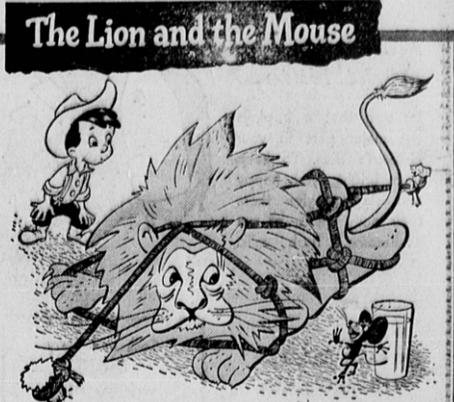

The Board of Directors accepted City Attorney Smith's ruling and made it necessary for the Civil Service board to establish classifications and call for examinations for at least four of the employees of the water districts. The others already are protected, under the ruling of the city attorney.

Likewise, the employees automatically will be blanketed in under the State Employees Retirement System, which provides pensions for city workers. This system went into effect July 1, 1947.

## Oils, Sculpture To Be Exhibited At P. V. Gallery
